AJOBLANCO

TUSET, 20

Ajoblanco is signature cuisine, creative cocktails and music. It's an elegant meeting point and lively entry into Barcelona's vibrant nightlife.

Since opening its doors in 2014, Ajoblanco has filled the iconic Tuset Street with passion and Mediterranean aromas. With a distinctive culinary and cocktail concept designed to surprise—and to captivate.

SIGNATURE CUISINE

Seasonal, signature dishes made to share – that’s the concept behind Ajoblanco’s menu. A true culinary journey through the Mediterranean and European corners using fantastic local suppliers.

Each dish is crafted to awaken new sensations through bold contrasts, refined textures and exceptional flavours. Everything is made right here in our open kitchen.

Highlights include the iconic “Amor de madre” – an elevated take on the classic British steak pie, featuring Galician beef, porcini mushrooms and spectacular bone marrow; the smoked mackerel, steak tartare with tonnata sauce and crispy mussels. And for dessert, timeless classics reimaged – like the Pijama or the Sticky Toffee Pudding.

UNIQUE COCKTAILS

Ajoblanco is all about signature mixology. Classic recipes with a twist – we craft our own cordials and fresh fruit and vegetable juices every week, creating cocktails with a truly unmatched flavor. Our menu also features mocktails and timeless classics.

The cocktail bar is always open and offers the perfect setting for private events, cocktail parties, or after-work gatherings.

MUSIC

At Ajoblanco, music is an essential part of the vibe. Whether it's our signature background playlists featuring timeless classics or our weekend live DJ sessions that fill the air with hits from the '70s, '80s, and today - the atmosphere is always just right. The perfect setting.

THE SPACE

Ajoblanco is a stunning single-level venue with room for up to 120 guests, thoughtfully designed with distinct areas – all bearing the unmistakable signature of renowned interior designer Lázaro Rosa Violán.

The space is divided into a charming porch and terrace, an impressive entrance featuring a **cocktail bar** ideal for after-work gatherings or private events, and the main dining room.

Within the **dining room**, you'll find several intimate settings: three round-table boxes for six guests, four sought-after semi-private booths tucked behind the scenes, and one imperial table for groups of up to 12.

Each of these areas can be expanded with additional tables to accommodate larger groups when needed.
